

FOURWAYS ROAD RUNNERS

2019 MEMBERSHIP WILL OPEN ON THE 12th DECEMBER 2018

Please read below the process for renewing your membership.

Please go on to our website www.frra.co.za download and complete (print in CAPITALS) the 2019 License Form **AND** the code of conduct. (Family membership must complete one form per running number). FWG residents need to complete the code of conduct too please.

Your license form, signed code of conduct, along with your proof of payment must be emailed to the secretary@frra.co.za (i.e. that is 3 documents in total). All information regarding bank account details etc. can be found on the website www.frra.co.za. Once all the correct information has been received, your membership will be processed. All existing members will need to renew their membership before the end of January 2019 in order to maintain your finger print access into the estate. If you do not renew before this time your biometrics will be deleted off their systems and you will have to go into the estate to update your finger prints for access! This is for you to arrange during their office hours – 8am to 4pm weekdays.

All new members will need to go into the estate to have their biometrics captured. Please forward me a mail as to when you would like to go into estate office, so I can send you an access code to do this – secretary@frra.co.za

Dates will be advised when License Numbers can be collected at Time Trial Sessions! (AND only if your 2019 license Form, code of conduct and proof of payment has been received can you collect your number).

If you are unable to make the dates, please ask a friend to collect on your behalf, otherwise license numbers will be left at the Sweat Shop at Broadacres for collection upon request, please email secretary@frra.co.za to arrange your license to be dropped at the Sweat Shop, we do not just take them.

Remember, any members that have not rejoined by the 31 January 2019 will be deleted off the Fourways Gardens Estate finger print access.

Thank you
